

Swim Strong Lifesavers Scholarship Program

Swim Strong hopes to help provide swimmers with basic and intermediate swim lessons. Our mission is to assist families who might not otherwise be able to financially afford swimming lessons for their children

Strong Strong offers \$2,500 in scholarships per a calendar year. Applications are accepted year round. Both partial and full scholarships are awarded until the funds are all dispersed.

Our goal for 2021 is to award 16- 25 swimmers with full or partial swim lesson scholarships.

Guidelines-

Each student can be awarded up to 3 sessions of group swim lessons in a year. There will be a limit of one scholarship per family in a year.

Scholarship recipients receiving money from a school or government assistance program specifically for therapy, or extracurricular programs are not eligible for a scholarship. (home school programs)

Application Process:

1. Complete and turn in attached application to sunshineswimcenter@gmail.com
2. Complete Sunshine Swim & Fitness Center online registration form
3. If awarded a scholarship, it will be the responsibility of the family to register for lessons within the allotted time period. If you do not register for lessons in time, funds will be forfeited.
